In re: Petition for determination of need for
Citrus County combined cycle power plant, by
Duke Energy Florida, Inc.

DOCKET NO. 140110-EI
ORDER NO. PSC-14-0460-CFO-EI
ISSUED: August 25, 2014

ORDER GRANTING CALPINE CONSTRUCTION FINANCE COMPANY, L.P.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 04196-14)

On August 4, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Calpine Construction Finance Company, L.P. (Calpine), filed a request for certain portions of the pre-filed testimony of Witness Todd Thornton; and certain portions of the pre-filed testimony of Witness Paul Hibbard and certain portions of Exhibits PJH-2, PJH-3, PJH-4, PJH- 6, PJH-7a, PJH7b, and PJH- 8 to Mr. Hibbard's testimony (Document No. 04196-17). This Request was filed in Docket No. 140110-EI.

Request for Confidential Classification

Calpine contends that the information provided in its filing on August 4, 2014, as more specifically described in Exhibit C attached to Calpine's Request, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Calpine argues that this information is intended to be and is treated by Calpine as private and has not been publicly disclosed.

Calpine is requesting confidential classification of the Confidential Testimony and Exhibits because the it contains proprietary and confidential competitive business information, including information concerning contractual data, competitively sensitive commercial information and bidding data, the disclosure of which would harm or otherwise adversely impact Calpine's competitive business interests.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the Utility as private, in that disclosure of the information would cause harm to the Utility's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093, F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information appears to be information concerning bids or other contractual data, the disclosure of which would impair the efforts of Calpine or its affiliates to contract for goods or services on favorable terms. The information also contains information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of said information. Therefore, the information identified in Document No. 04196-17 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Calpine or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Ronald A. Brisé, as Prehearing Officer, that Calpine Construction Finance Company, L.P.'s Request for Confidential Classification is granted. It is further

ORDERED that the information identified in Document No. 04196-17 for which confidential classification has been granted shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 25th day of August, 2014.
