Dorothy, could you place this email in the above docket for information purposes. Bob, has advised that I do not need to assign a new company code, since the name will remain the same, but with just a new owner. Thanks, Nonnye

I would suggest the following title:

Request for approval of transfer of Certificate No. 8726 , VoDa Networks, Inc., from Michael Berg to Christine Rizzuto

(They want to transfer the certificate to a new owner, but the new owner is not presently certificated, so it is treated by staff like a new certificate as far as background checks, etc.)

Subject: RE: Question about filing received from TX964

Good afternoon Bob,

CLK received the attached filing today. I am unsure of how to process the document (new docket, or undocketed?). The cover page states it is an application to transfer stock, however the supporting documentation is an application to provide telecommunications service. Could you assist me on how to handle?

Thank you,
