**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In the Matter of the Application of                    )  
Voda Networks for Approval of a Stock        )  
Transfer from Michael Berg to                    )  
Christine Rizzuto                                    )

**MOTION FOR LEAVE TO FILE  
FINANCIAL INFORMATION UNDER SEAL OF CONFIDENTIALITY**

Voda Networks, Inc. (“Voda”), hereby respectfully requests that the confidential financial information provided in accord with its Application for Approval of a Stock Transfer from Michael Berg to Christine Rizzuto within the State of Florida be filed under seal of confidentiality and withheld from public inspection. The financial information which Voda seeks to file under seal of confidentiality has been placed in a sealed envelope, marked “Confidential Information Subject to Protective Order” and is attached to the instant Motion.

Voda is a privately-held company. The information produced as part of Voda’s concurrently filed Application for Approval of a Stock Purchase that has been identified by Voda as “confidential” should not be open to public inspection, because it contains detailed information of a confidential nature regarding Voda’s financial condition. Release of this information to the public is not essential to the Commission’s review of Voda’s concurrently-filed application for approval of a Stock Transfer and public disclosure of its contents would please the applicant at an unfair business disadvantage.

Public disclosure of the information contained herein that Voda has identified as confidential would reveal information to the public and Voda’s actual and potential competitors regarding Voda’s cash position, liabilities, revenues, expenses, and other data which Voda considers highly proprietary and confidential. Public disclosure of such information would materially damage Voda’s

competitive and financial positions, and would place Voda in an unfair competitive disadvantage because Voda does not have access to similar information of its competitors. Additionally, it is Voda's general practice to disclose the information provided in its financial statements only to parties who have entered into a confidentiality agreement with Voda.

For the reasons stated herein, Voda submits that good cause exists for the Commission to permit the financial information contained herein and submitted with its Application for Approval of a Stock Transfer within the State of Florida that has been identified by Voda as "confidential" to be filed under seal of confidentiality and withheld from public inspection.

WHEREFORE, Voda respectfully requests that its Motion for Leave to file financial information under seal of confidentiality be granted.

Respectfully submitted,

Date: 8-21-14
