RE: Negotiated Contract For the Purchase of Firm Capacity and Energy from a Renewable Energy Producer or Qualifying Facility Less Than 100 kW dated July 8, 2009 ("Agreement")

Dear Mr. Spitz:

In accordance to my letter to you dated July 1, 2010, PEF hereby declares that the Agreement between Vision Power Systems, Inc. and Progress Energy Florida is terminated.

It is unfortunate that the delays in funding have led to this point.

Please contact me at 727-820-4597 or david.gammon@pgnmail.com if you have any questions.

Thank you.
