Re: Docket No. 140147-WS, Application for staff-assisted rate case in Sumter County by Jumper Creek Utility Company

Dear Mr. Deremer:

Staff has completed its review and has determined Jumper Creek Utility Company (Jumper Creek or Utility) is eligible for a staff-assisted rate case (SARC).

The staff engineer has determined the filing fee in this rate case is \$1,000 (\$500 for water and \$500 for wastewater). The fee is based on the capacity of the Utility's systems as provided by Section 367.145(2) of the Florida Statutes (F.S.). An initial fee of \$400 was paid August 6, 2014. The remaining filing fees of \$600 must be received by October 3, 2014, which will be the official filing date for this rate case. Pursuant to Rule 25-30.455(9), Florida Administrative Code (F.A.C.), the Commission will deny the application if a utility does not remit the fee within 30 days after official acceptance, as provided by Section 367.145, F.S., and paragraph 25-30.020(2)(f), F.A.C.

Section 367.091(2), F.S., provides:

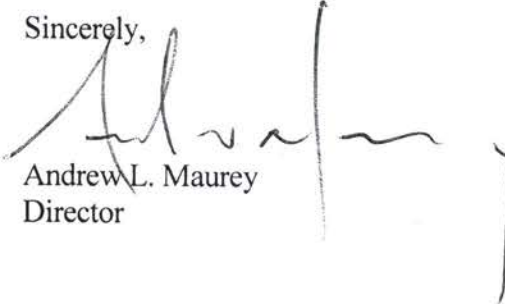

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervenor status to any governing body that files a petition.

Please forward a copy of Jumper Creek's application for a SARC to the chief executive officer of Sumter County as required by law, and copy the Commission as proof that an application was forwarded to them.
