with this application, the Company confirms that the capital raised pursuant to this application will be used in connection with the activities of the Company's regulated electric and gas divisions and not the unregulated activities of the utilities or their affiliates.

Staff has reviewed the Company's projected capital expenditures. The amount requested by the Company exceeds its expected capital expenditures. The additional amount requested exceeding the projected capital expenditures allows for financial flexibility with regards to unexpected events such as hurricanes, financial market disruptions, and other unforeseen circumstances. Staff believes the requested amounts are appropriate. Staff recommends Tampa Electric's petition to issue securities be approved.
