Re: Docket No. 140001-EI (Gas Reserves)

Dear Ms. Stauffer:

Please find attached for filing in the above referenced docket the CONFIDENTIAL Direct Testimony & Exhibits of Daniel J. Lawton.

The testimony and exhibits contain information that Florida Power & Light Company ("FPL") has designated as confidential. FPL has not had an opportunity to review the testimony and exhibits. We are therefore filing these documents under confidential status in conjunction with a Notice of Intent to Request Confidential Classification that FPL will file today. After FPL has reviewed and redacted the portions of testimony and exhibits that it deems to be confidential, public versions of the enclosures will be filed with your office and served on parties.

FPL has indicated that parties who have signed an appropriate non-disclosure agreement with FPL should contact the company and ask that Public Counsel ("OPC") be notified that service of the unredacted testimony can be made upon that party. Upon receiving such notification and making service, the OPC will revise the Certificate of Service accordingly.

If you have any questions or concerns; please do not hesitate to contact me. Thank you for your assistance in this matter.

Sincerely,

Joseph A. McGlothlin
