1. Of the facilities transfers listed in Exhibits D and E of the the existing agreement, please provide an accounting of how many transfers were and were not completed.
2. Of the facilities transfers listed in Exhibits D and E of the existing agreement that were not completed, please explain why these facilities were not transferred as agreed to.
3. Please provide a listing, similar to that in the existing agreement, of facilities to be transferred under the proposed amendment.
4. What progress has been made on the transfers scheduled for 2014?
5. The second paragraph of the amendment to the existing agreement, marked as Exhibit A, states the amendment is "to provide for modifications to . . . CUSTOMER transfer . . ." However, paragraph 15 of the petition, states that no customer accounts will be transferred as a result of the amendment. Please explain the apparently conflicting statements.
