Re: Docket No. 140060-WS - Application for increase in Water and Wastewater rates in Seminole County by Sanlando Utilities Corporation
Our File No. 30057.214

Dear Ms. Stauffer:

One of the Pro–Forma projects in this Application is the Wekiva WWTP electrical improvement project. Sanlando Utilities Corporation previously provided the Commission with documentation regarding the cost of this project as of the date of filing the Application. Since that date, the project has required a change order which increases the cost of this project from $198,900.00 to $215,478.30. Attached is a copy of the change order.

If you or the Staff have any questions, please feel free to contact me.

Very truly yours,

MARTIN S. FRIEDMAN
