**Re: Docket No. 140181  
Application of Talk America Services, LLC for Authority to Provide  
Telecommunications Service Within the State of Florida  
SUPPLEMENT**

Dear Ms. Cole:

On behalf of Talk America Services, LLC (“TAS”), and pursuant to discussion with staff, TAS submits this letter to supplement the above-referenced application. Specifically, TAS respectfully asserts that it will have the technical capability to provide telecommunications services to end users in Florida. The company will resell the services of the Windstream Companies in Florida, and will therefore rely on the services and support of those companies, through a resale agreement, for the technical provision of telecommunications services in the state. For additional information, please see the *pro forma* notice submitted separately to the Commission (dated September 12, 2014) concerning the arrangements between the Windstream Companies and TAS following certification of TAS in Florida.

Please date-stamp the enclosed extra copy of this filing and return it in the envelope provided. Should you have any questions concerning this filing, please do not hesitate to contact the undersigned.

Respectfully submitted,

Jean L. Kiddoo  
Russell M. Blau  
Jeffrey R. Strenkowski
