STAFF'S SIXTH DATA REQUEST

RE: Docket No. 130194-WS- Application for staff-assisted rate case in Lake County by Lakeside Waterworks, Inc.

Dear Mr. Deremer,

By this letter, the Commission staff requests that Lakeside Waterworks, Inc. provide responses to the following data requests.

1. For the purpose of this question, please refer to Table 4 – Cost Responsibilities, as shown in the Agreement For Services the Utility signed on November 16, 2012, with U.S. Water Services Corporation.
 - a. Referring to the Owner column (the right side of the table), Item #16 states that the Owner is responsible for repairs totaling \$400 or more, per incident. Was the threshold of \$400 negotiated between the parties to this agreement? Please explain why \$400 is the threshold for cost responsibility between U.S. Water and the Owner.
 - b. In the most recent 12 month period, how many total repairs of \$400 or more has Lakeside Waterworks been responsible for? Provide a brief description of each repair and the associated repair amount.
 - c. In the most recent 12 month period, how many total repairs of \$399.99 or less has U.S. Water been responsible for? Provide a brief description of each repair and the associated repair amount.
2. For the purpose of this question, please refer to pages 1 and 2 of LWI's October 2, 2014 letter (Document No. 05552-14). Under the heading "Quality of Service," LWI states that, immediately after the September 11, 2014 customer meeting, it met with customers and had U.S. Water Services' staff investigate each customer's complaints in the following days. Please provide the following information for each customer contacted after the customer meeting as referenced in LWI's letter.

Customer Name/Address	Telephone No.	Concern/Complaint	LWI Action	Status

Please file the original and five copies of the requested information by Friday, October 17, 2014, with Carlotta Stauffer, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6191 if you have any questions.
