Re: Docket No. 140004-GU – Natural gas conservation cost recovery

Dear Commissioner Brown:

At the prehearing conference held October 8 in this docket, all issues were stipulated as to Sebring and the Commission Staff and, absent a request from the Commission, Sebring's witness will be excused. I am unavailable to attend the hearing scheduled for October 22, and while another attorney is available to attend, under the circumstances that would not seem to be necessary. I would therefore request that Sebring and counsel be excused from attending the hearing scheduled for October 22, 2014.

Your consideration of this request is appreciated.

Sincerely,

Norman H. Horton, Jr.
