**Re: Docket No. 140001-EI - IN RE: Fuel and Purchased Power Cost Recovery Clause  
with Generating Performance Incentive Factor**

Dear Ms. Stauffer:

Please find enclosed for filing Florida Power & Light Company's ("FPL's") Errata Sheet for Exhibit SF-4 to the June 25, 2014 testimony of FPL witness Sam Forrest. Exhibit SF-4 is the confidential Drilling and Development Agreement ("DDA") for the Woodford Project. During the deposition of Mr. Forrest last week, it came to FPL's attention that Exhibits G, H and I to the DDA were inadvertently omitted from the copy of the DDA that is included as Exhibit SF-4. As is the case for all of Exhibit SF-4, Exhibits G, H and I are confidential in their entirety. Accordingly, they are not included with this Errata Sheet, but instead are being filed simultaneously along with a Notice of Intent to Request Confidential Classification. There are no other changes to FPL's testimony or exhibits.

FPL is arranging to have a copy of Exhibits G, H and I delivered on a confidential basis to the parties who are participating in the December 1-2 hearing concerning FPL's gas reserves petition. Please contact me if there are any questions related to this filing.

Sincerely,

*/s/ Scott A. Goorland*
