**Re: Docket No. 140186-WU - Application for staff-assisted rate case in Brevard County by Brevard Waterworks, Inc.**

Dear Mr. Rendell:

We have determined eligibility for staff assistance in the above referenced case filed by Brevard Waterworks, Inc. (Brevard Waterworks or Utility). We find that the Utility is eligible for the staff assisted rate case (SARC) filing.

The staff engineer has determined the filing fee in this rate case is \$1,000. The fee is based on the capacity of the Utility's system as provided by Section 367.145(2) of the Florida Statutes. The Commission received a payment of \$500 on October 2, 2014. The remaining \$500 must be received by November 28, 2014, which is the official filing date for this rate case.

Section 367.091(2), Florida Statutes, provides:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervener status to any governing body that files a petition.

The Commission received confirmation on September 29, 2014 that a copy of Brevard Waterworks' application for a SARC was sent to the County Manager of Brevard County as required by law.

Sincerely,
