**REMARKS/DISSENTING COMMENTS:**

**Docket No. 140197-EI** – Petition for approval of base rate adjustment for extended power uprate project by Florida Power & Light Company.

(Continued from previous page)

**Issue 2:** What is the appropriate effective date of FPL's revised base rates?

**Recommendation:** If the Commission approves the staff recommendation in Issue 1, the revised base rates should be implemented with the first billing cycle for 2015, which falls on January 2, 2015. Staff's recommended base rate revenue requirement reduction should be allocated among the various rate classes consistent with the Cost of Service study approved by the Commission in Order No. PSC-13-0023-S-EI.<sup>1</sup> Furthermore, FPL should file revised tariff sheets to reflect the revised base energy charges to implement the Commission vote in Issue 1 for administrative approval by staff prior to their effective date.

**APPROVED**

**Issue 3:** Should this docket be closed?

**Recommendation:** If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, a consummating order should be issued. FPL should file revised tariff sheets to reflect the base energy charges implemented by the Commission's vote on Issue 1 for administrative approval by staff prior to the effective date of the new rates. Once these actions are complete, this docket should be closed administratively.

**APPROVED**
