RE: Docket Nos. 130199, 130200, 130201, 130202, 130203, 130204, 130205

Commissioner Edgar was contacted by Diane Munns by e-mail requesting a meeting at the NARUC annual meetings in San Francisco. Ms. Munns, a former NARUC President and state commissioner, is currently Senior Director of Collaboration, EDF Clean Energy program, Environmental Defense Fund.

Ms. Munns stated a small contingent from their group wanted to meet Commissioner Edgar to give her an idea of who was involved in their group and where she could go for a quick read on the community reaction or assistance. Commissioner Edgar agreed to meet with Ms. Munns and a meeting was set for November 18, 2014.

Unbeknownst to Commissioner Edgar, one of the participants invited to the meeting by Ms. Munns was an individual that had recently testified in a FPSC hearing. Natalie Mims, on behalf of SACE, sponsored testimony in Docket Nos. 130199, 130200, 130201, 130202, 130203, 130204, 130205.

While there was no discussion of these dockets during this meeting, in an abundance of caution, I am requesting that a copy of this memo be included in the above referenced docket files.

If you have any questions about this request, please call me. Thank you.
