**Notice of Proposed Tariff Filing for W.B.B. Utilities, Inc. for Change in Customer Billing from Quarterly to Monthly in Lake County, Florida**

**DATE OF NOTICE — December 12, 2014**

DOCKET NO: 140171-WU  
ORDER NO: PSC-14-0681-TRF-WU  
ISSUED: December 9, 2014

On September 4, 2014, W.B.B. Utilities, Inc. (W.B.B. or Utility) applied to the Florida Public Service Commission (Commission) for approval to change its customer billing from quarterly to monthly. Monthly billing provides timely information to customers concerning water usage. This information allows customers to actively conserve water usage and assist with the preservation of ground water. In addition, monthly billing allows customers to budget finances by receiving monthly billing, as opposed to every three months.

Notice is hereby given that the Commission approved a change to W.B.B.'s customer billing from quarterly billing to monthly billing by the above referenced order. The rates are effective for service on or after January 1, 2015. The Utility anticipates its final quarterly bill will be issued the end of December 2014 and the first monthly bill will be issued the end of January 2015.
