Re: Docket No. 130205-EI - Commission review of numeric conservation goals (Florida Public Utilities Company)

Dear Ms. Keating:

On December 24, 2014, Florida Public Utilities Company (FPUC) submitted its 2014 goals based upon the Commission-approved methodology pursuant to Order No. PSC-13-0645-PAA-EU, as amended by Amendatory Order No. PSC-13-0645A-PAA-EU. The Commission-approved methodology for FPUC uses Gulf Power Company's (Gulf) 2014 goals approved in Order No. PSC-14-0696-EU as a proxy. Pursuant to Order No. PSC-13-0645A-PAA-EU, staff has administrative authority to validate the calculations of the numeric conservation goals submitted by FPUC. Staff has reviewed the calculations and hereby approves FPUC's 2014 numeric conservation goals pursuant to Order No. PSC-13-0645-PAA-EU, which are contained in Attachment A.

If you have any questions or need additional information, please do not hesitate to contact me by phone at (850) 413-6910.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".

Tom Ballinger
Director
Division of Engineering
