**Subject:** Docket No. 150012-WU, Application for transfer of Certificate 390-W from Country-Wide Utility Co., Inc. to Southwest Ocala Utility, Inc. in Marion County.

Dear Mr. Leeward:

I have been assigned as the lead staff on the subject docket, and am also the engineer on the case. I have reviewed your draft legal notice. The legal description of the territory is acceptable. However, I have two suggested changes to the body of the letter. First, the date should be changed to reflect the date it is mailed out. Second, the words "and/or Wastewater" should be removed from the first paragraph since the Utility only provides water service.

If you have any questions, please call me at the number below, or email me.
