Re: Docket No. 140124-PU; Rules 25-7.014, 25-7.015, and 25-7.0461, F.A.C.

Dear Mr. Plante:

We are writing in response to Ms. Jackson's recent e-mail concerning the above-referenced rules. The Commission has approved the adoption of the above rules with the following technical changes.

We made a technical change to Rule 25-7.014(6), F.A.C., to add the words "thousand cubic feet" which is a term referenced in the rule by the acronym, "MCF." We have also made a technical change to Rule 25-7.015, F.A.C., to reflect that sections 366.05(9), (11), 366.08, and 366.093(1), Florida Statutes, are cited as laws implemented, and not as rulemaking authority.

We plan to file the rules for adoption with the Department of State on January 13, 2015.

Sincerely,

Pamela H. Page
