**Re: Notification of the Transfer of Customer and Assets of MegaPath Corporation to GC Pivotal, LLC d/b/a Global Capacity, LLC
CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Ms. Stauffer:

GC Pivotal, LLC d/b/a Global Capacity ("Global Capacity"), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation ("MegaPath"), notifies the Florida Public Service Commission ("Commission") that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.¹ As a result of this, MegaPath will no longer provide telecommunications services in Florida and therefore no longer requires its authorizations. As such, MegaPath requests that the Commission cancel MegaPath's authorizations to provide Local Exchange Service and rescind any and all tariffs on file with the Commission. MegaPath was granted authority to provide Local Exchange Service in Commission authorization issued in 990191-TX on April 21, 1999. Because MegaPath no longer provides any service that is subject to the jurisdiction of the Commission in Florida, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.
