Florida Public Service Commission

Dear Florida Public Service Commission:

As a Florida Power and Light (FPL) customer and Floridian, I am writing to respectfully request that you deny the FPL Woodford proposal and associated proposed guidelines that would allow FPL to charge its customers to get into the business of oil and gas production. This proposal is bad for FPL customers as well as Florida's environment and tourism-based economy.

Thank you for your time and consideration of my input on this important decision and I am counting on you to protect Floridians by denying FPL's Woodford proposal.

Sincerely,

Katherine Doerr
