RE: Docket No. 100453-SU - Application for certificate to provide wastewater service in Lee County by Gistro, Inc.

On December 2, 2010, Gistro, Inc. filed an application for a certificate to provide wastewater service in Lee County pursuant to Section 367.045, Florida Statutes. In spite of numerous requests by staff to correct deficiencies, the application has remained substantially deficient, including the failure to pay a filing fee or provide notice pursuant to Rules 25-30.020 and 25-30.030, Florida Administrative Code, respectively. Further attempts to contact the applicant regarding its application have been unsuccessful. Staff therefore requests that the docket be closed administratively.
