RE: Docket No. 140145-SU; Application for Authority to Transfer Assets of Utility Corporation of Florida, Inc. and Certificate No. 550-S to South Highlands Investment Corporation in Highlands County, Florida  
Our File No.: 47102.01

Dear Ms. Stauffer:

South Highlands Investment Corporation has reached an agreement to transfer the wastewater facilities to the Spring Lake Improvement District, which provides water service to the area served by the wastewater system. The purchaser is a Community Development District exempt from Commission jurisdiction. Thus, an amendment to the Application will be filed, so it is requested that no further action be taken on the original Application. Once the Contract has been executed we will file the amendment to the Application

Should you have any questions regarding this filing, please do not hesitate to give me a call.

Very truly yours,
