Re: Docket 150010-WS -- Application for staff-assisted rate case in Brevard County by Aquarina Utilities Inc.

Dear Mr. Friedman:

Commission staff has reviewed and accepted Aquarina Utilities, Inc. (Aquarina) application for a staff-assisted rate case as of January 26, 2015. According to your 2013 Annual Report, Aquarina has the existing capacity to serve 600 equivalent residential water connections and 3,535 wastewater connections. Therefore, your filing fee is \$2,000 (\$1,000 for each system) pursuant to Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). **Please note, your application will be denied if the fee is not remitted by February 26, 2015, in accordance with Rule 25-30.455(8), F.A.C.**

Section 367.091(2), Florida Statutes, requires the utility to "mail a copy of the application to the chief executive officer of the governing body of each county within the service area included in the rate request." Therefore, please include with your filing fee an affidavit stating this requirement has been fulfilled. The affidavit and filing fee should be sent to the Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850.

Members of Commission staff will contact you to schedule a convenient time for examination of the Aquarina's books, records, and physical plant. If you have any questions regarding the proceeding, please contact Clayton Lewis by phone at (850) 413-6578.

Sincerely,

Tom Ballinger
Director of Engineering
