REQUEST CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida ("DEF" or the "Company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, files this First Notice of Intent to Request Confidential Classification of the confidential portions of the documents and information produced in response to the Office of Public Counsel's Second Request for Production of Documents to Duke Energy Florida (Nos. 41-55) and supplemental response to the Office of Public Counsel's Second Set of Interrogatories to Duke Energy Florida (Nos. 34-55) served in Docket 140009-EI. Portions of the documents and information contained in these responses contain proprietary and confidential business information which the Company does not disclose to the public, including contractual data the disclosure of which would impair DEF's ability to contract for necessary goods and services in the future and would violate contractual confidentiality clauses, and other information the disclosure of which would harm the Company's or its vendor's competitive business interests.

Attached as Exhibit A is a CD containing confidential, highlighted copies of the above referenced documents.
