Okay. So it looks like I missed Confidential DN 06375-14 in my response to return the documents to the company. Will this email suffice as a request to return it to the company?

**Please see attached reports to e-mail:**

- 1.) **Inventory of Confidential Documents in Dockets Closed during January 2015:** this report is a listing of confidential documents filed in dockets closed in January 2015. Please have appropriate staff in your Division or Office review the listing and advise, by checking in either "retain" or "return" column, whether the document(s) can be returned to its source, or must be retained by the Commission. Once all documents have been promptly designated, return the listing to CLK with a cover memo for filing and processing. A copy only of the cover memo should be sent to Lisa Harvey and a copy of the cover memo and completed report should be sent to Theresa Farley.

**No reports were generated for:**
