Re: Docket No. 150001-EI  
Request for Confidential Classification

Dear Ms. Stauffer:

FPL has determined that its Request for Confidential Classification of Information Provided in Response to Citizens' First Set of Interrogatories (No. 6), filed on February 6, 2015, incorrectly designated certain language as confidential. Accordingly, FPL encloses for filing Corrected Exhibits A, B and C to replace in their entirety the corresponding exhibits to the February 6, 2015 filing. FPL also includes a disc containing Corrected Exhibit C in Microsoft Word format.

Please contact me if you or your Staff has any questions regarding this filing.

Sincerely,

  
Maria J. Moncada
