BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Gulf Power Company
Earnings Surveillance Report,
Supplemental Filing for December 2014

Docket No.: Undocketed
Date: February 16, 2015

REQUEST FOR CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY (“Gulf Power”, “Gulf”, or “the Company”), by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order protecting from public disclosure information contained within the December 2014 supplements for Gulf Power Company’s Earnings Surveillance Report which are being submitted to the Florida Public Service Commission pursuant to Order Nos. PSC-96-1219-FOF-EI, PSC-01-0390-TRF-EI, and PSC-14-0197-PAA-EI (collectively, the “CISR Surveillance Filings”). As grounds for this request, Gulf Power Company states:

1. On February 16, 2015, Gulf Power Company submitted to the Florida Public Service Commission Gulf Power Company’s CISR Surveillance Filings as required by Order Nos. PSC-96-1219-FOF-EI, PSC-01-0390-TRF-EI and PSC-14-0197-PAA-EI.
2. The public disclosure of the information contained in the CISR Surveillance Filings would cause irreparable harm to Gulf Power Company and the entity with which it has entered a Contract Services Arrangement (“CSA”) contract under the authority of Gulf Power’s Commercial/Industrial Service Rider. The CISR Surveillance Filings contain proprietary confidential business information regarding pricing under the CSA. Public disclosure of this information would impair the ability of Gulf Power Company to negotiate terms and conditions in future CSAs that are the most favorable to Gulf and its general body of customers. Moreover, the public disclosure of this information may prevent Gulf from successfully negotiating CSAs with customers. The information is regarded as sensitive and confidential by the CISR customer because its public disclosure would impact the customer’s ability to compete in the native markets. In the event such information is made public, future potential CISR customers may

avoid the risk of public disclosure of their confidential information by refusing to negotiate with Gulf Power. This may lead to uneconomic bypass of Gulf's facilities. Thus, the Company requests that this information be granted confidential classification pursuant to Section 366.093(3)(d)-(e), Florida Statutes.

3. Submitted as Exhibit "A" are copies of the CISR Surveillance Filings, on which are highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of the CISR Surveillance Filings, which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line justification for the request for confidential classification.

4. The material for which confidential classification is requested is intended to be, and is treated as, confidential by Gulf Power Company and the entity with which it has entered a CSA contract and has not been otherwise publicly disclosed.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 13th day of February, 2015.
