CONSUMER COMMENTS

To Whom it may concern:

I am James Beems, I live at Secret Lake Estates. I am writing in regards to the water + sewage increase from Labrador Utilities, Inc.

They are asking 100% increase for both. We have had problems with smell and taste of the water. Can't drink even if it is filtered. For the money that we pay we should not have to buy bottled water, for cooking and drinking.

Even when you take a shower instead of coming out smelling fresh - you come out smelling like crap. People that have public water, people can drink & cook and shower with no problem. They pay less than we do for sewage + water.

CONSUMER COMMENTS

Therefore I'm asking you please do not give them the increase. They have done nothing for us in fifteen years. It will also bring the value of our homes down.

Thank You.
