

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Energy Conservation Cost Recovery
Clause

Docket No: 130002-EG
Date: March 12, 2015

**FLORIDA POWER AND LIGHT COMPANY'S SECOND REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF INFORMATION PROVIDED PURSUANT TO AUDIT NO. 11-005-4-4**

Pursuant to Section 366.093, Florida Statutes ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its Second Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 11-005-4-4 ("Confidential Information"). In support of this request, FPL states as follows:

1. On July 1, 2011, FPL filed a Request for Confidential Classification of the Confidential Information, which included Exhibits A, B, C and D ("July 1, 2011 Request"). By Order No. PSC-11-0539-CFO-EI, dated November 18, 2011 ("Order 0539"), the Commission granted FPL's July 1, 2011 Request. FPL adopts and incorporates by reference the July 1, 2011 Request and Order 0539.

2. On May 8, 2013, FPL filed its First Request for Extension of Confidential Classification of the Confidential Information, which included First Revised Exhibits A, B, C and D ("May 8, 2013 Request"). By Order No. PSC-13-0475-CFO-EG, dated October 15, 2013 ("Order 0475"), the Commission granted FPL's May 8, 2013 Request. FPL adopts and incorporates by reference the May 8, 2013 Request and Order 0475.

3. The period of confidential treatment granted by Order 0475 will soon expire. The Confidential Information that was the subject of FPL's May 8, 2013 Request and Order 0475 warrants continued treatment as proprietary and confidential business information within the

meaning of Section 366.093(3). Accordingly, FPL hereby submits its Second Request for Extension of Confidential Classification.

4. All of the information designated in First Revised Exhibits A, B and C to the May 8, 2013 Request remains confidential. Accordingly, those exhibits will not be reproduced or reattached here.

5. Included herewith is Second Revised Exhibit D, which contains the affidavits of Antonio Maceo and Anita Sharma in support of this request.

6. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As the affidavits included in Second Revised Exhibit D indicate, the Confidential Information consists of internal auditing controls, reports or notes of internal auditors, or information relating to internal audit reports. Such information is protected by Section 366.093(3)(b).

8. Also, certain Confidential Information consists of confidential terms pertaining to Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e).

9. Additionally, some documents contain information that relates to customer-specific account information. It is FPL's policy not to disclose customer-specific information, except as required by law, to entities or persons other than the customer absent the customer's consent. The policy includes but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh, and bills. FPL's policy is premised upon customers' right to privacy and the potential that disclosure of customer specific information may harm some customers' competitive interests. This information is protected pursuant to Section 366.093(3)(e).

10. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company

respectfully requests that its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,

MIAMI-DADE COUNTY)

AFFIDAVIT OF ANTONIO MACEO

BEFORE ME, the undersigned authority, personally appeared Antonio Maceo who, being first duly sworn, deposes and says:

1. My name is Antonio Maceo. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Internal Auditing. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents referenced and incorporated in FPL's Second Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-4 for which I am identified as the affiant. The documents or materials contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, some of the information contain or constitute internal auditing controls, reports or notes of internal auditors, or information relating to internal auditing reports issued in 2011. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-13-0475-CFO-EG to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

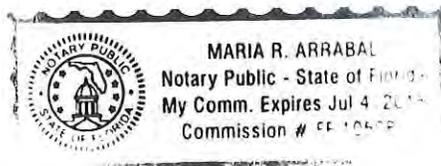

4. Affiant says nothing further.

1. My name is Anita Sharma. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Demand Side Management Cost and Performance. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents referenced and incorporated in FPL's Second Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 11-005-4-4 for which I am identified as the affiant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. In particular, the sensitive data consists of confidential terms pertaining to pension and welfare rates. Some documents contain customer-specific account information, which if disclosed would impair FPL's competitive interests or those of its vendors. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-13-0475-CFO-EG to render the information stale or public, such that continued confidential treatment would not be appropriate.
