CONSUMER COMMENTS
1. Our water/sewer rates are much, much higher than neighboring communities.
2. We are retired and simply can't afford these ridiculously high rates requested by Labrador Utilities.
3. We try and consume less water but the bill is just going higher in dollars.
4. We purchase our drinking water because of terrible taste to our water - \$3.00 or more for 24 bottles - 16 oz.
5. Odor from sewage plant much improved. Only noticeable on hot, humid mornings.
