Dear Julie Imanuel Brown,

I am writing because I am concerned about outside groups like the Southern Alliance for Clean Energy, which purport to be about what's best from Florida, but actually are funded by out-of-state interests. Florida has already imposed enough regulations on its energy sector. I can't afford to pay more to keep my home cool just to satisfy an interest group's agenda. Please oppose outside groups like SACE and do what is best for me -- help me keep my bills paid and my lights on. Thank you for your consideration.

Sincerely,
jose rosario
