Dear Mr. Friedman:

By this letter, the Commission staff requests that Labrador Utilities, Inc. (Labrador) provide a response to the following data requests.

1. Please explain the difference of \$6,046 for water chemicals used, before adjustments, and Labrador's 2012 Annual Report.
2. Please explain the increase of \$14,896 for wastewater chemicals used, before adjustments, and Labrador's 2012 Annual Report.
3. Did the chemicals used for wastewater change when the Odor Control Pro-forma project was completed? If so, please provide a list of chemicals used by unit, unit price, and how often will Labrador buy the chemicals (i.e. once a month, twice a month).

Please refer to Labrador's response to Staff's Seventh Data Request.

4. Does Labrador have a current quote (more recent than 2013) with the prices to televise and clean Labrador's collection lines? If so, please provide a copy. If not, please explain why the 2013 quote for Sanlando's system should be accepted.
