Hi Mr. Leeward,

Per our discussion, I have updated your email address in Docket Number 150012-WU for both County-Wide Utility Co., Inc. and Southwest Ocala Utility, Inc. to dirk@brickcitymanagers.com. There are no other notifications necessary; I apologize for any inconvenience to you.

Thank you,

Carlotta:

I updated my record with Ruth McHargue on January 26th. Do I have to update the info in multiple places? If so, please let me know all of the departments that need to be notified (along with the contact person and email address) so that I only have to do it one more time.

Subject: Electronic Filing via PSC Website / Follow-up

Good Afternoon, Mr. Leeward,

I looked into the problem you were having with electronic filing via the PSC website and discovered what I believe was the issue. The contact information for County-Wide Utility Company, Inc., that is in our Case Management System (CMS) has an email address of countywide@leewardairranch.com. However, the document that you filed on March 17 in Docket Number 150012-WU was sent from dirk@brickcitymanagers.com. If you were trying to e-file by

using dirk@brickcitymanagers.com as the party of record e-mail address, you would not be recognized by CMS and would receive a message that there were “no open dockets” (for you).

If your email address should be changed from what we have on record, please advise. Should you have any additional questions, feel free to contact me.

Sincerely,

Carlotta S. Stauffer
