2. Please list any differences between the prior agreement which expired on July 22, 2013, and the proposed agreement.

 - b. Are the parties abiding by the terms of the prior agreement for the period of time between its expiration and Commission approval of the new agreement? If not, please explain.
5. Please explain why certain customers (i.e., extra-territorial) are located within the service territory of the other party, i.e., Leesburg.
6. Will any facilities be transferred in conjunction with the transfer of customers, and if so, what is the purchase price?
