Re: Docket No. 150116-GU

Dear Mr. Cogburn:

This will acknowledge receipt of the Petition for approval of safety, access, and facility enhancement program and associated cost recovery methodology, by Florida City Gas, which was filed in this office on April 7, 2015, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6199.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should the Commission grant your petition, you would be expected to comply with this requirement by advising us of any changes as they occur.
