In Docket # 140177 and #140175, I have asked the commission to approve the purchase of a new lawn mower that would serve Holiday Gardens and Crestridge Utilities. Combined there are seven properties to mow and maintain through- out the year. Because this equipment is expensive and requires regular maintenance, I am requesting the cost of the mower be amortized for 4 years.

The total area of the seven well sites that I have to maintain is about 3.5 acres. This amount of land area exceeds the size of a normal home lot which will cause the life of the mower to be shortened. The request of the 4 year amortization is the amount of time I think I will have with the mower before it will have to be replaced.

In the rates for Holiday Gardens and Crestridge Utilities, please amortize the purchase of a new lawn mower for 4 years.

On behalf Of the utility,

A handwritten signature in blue ink that reads "Mike Smallridge". The signature is written in a cursive style with a large initial "M".

Mike Smallridge
