STAFF'S SECOND DATA REQUEST
via e-mail

Re: Docket No. 150094-GP – Petition for approval of amendment to special contract with Peninsula Pipeline Company, by Peoples Gas System

By this letter, the Commission staff requests that Peoples Gas System (PGS) provide responses to the following data requests.

1. Please refer to PGS' confidential responses to Questions 2 and 7 of Staff's First Data Request. Please explain the relationship between the cost estimate provided in response to Question 2 and the amount shown on Line 1 of Page 1 in response to Question 7. Also, please illustrate how the amount shown on Line 1 of Page 1 in response to Question 7 was derived.
2. Please refer to Page 2 of PGS' confidential response to Question 7. Please clarify why the estimates of other-than-income taxes should not be included in the estimated Total Cost of Service.
3. Please refer to Page 3 of PGS' confidential response to Question 7. Please clarify how the extended numbers shown in the "Amount" column were derived. An attempt to reproduce these numbers manually yielded differences that are somewhat greater than one might attribute to normal rounding.
