STAFF'S SECOND DATA REQUEST

Re: Docket No. 150092-WS – Request for approval of amendment to tariff for miscellaneous service charges by Marion Utilities, Inc.

Dear Mr. Thompson:

Thank you for the responses to staff's First Data Request filed by Marion Utilities, Inc. (Marion or Utility). Staff has reviewed the responses and requires additional information to complete our review of the application.

- 1. After Hours Charges.** Rule 25-30.460(2), Florida Administrative Code, states "A utility may request an additional charge ("after hours charge") for overtime when the customer requests that the service be performed after normal hours. The after hours charge may be at the same rate specified for the existing charge during normal working hours. If the utility seeks a charge other than the normal working hours charge, the utility must file cost support. (emphasis added) Please provide a breakdown of costs included in the Utility's requested "after hours charge" for miscellaneous service charges and meter or lock tampering fee.
- 2. Initial Customer Deposits.** Please submit all information the Utility relied upon to calculate the current average residential bill of \$26.71.
