RE: Docket No. 140194-WU - Application for amendment of Certificate No. 405-W to
add territory in Marion County by Tradewinds Utilities, Inc.

The above-referenced docket was opened in error. Tradewinds Utilities, Inc. (Tradewinds or Utility) believed that it needed to amend its service territory when the territory map it submitted to the Saint Johns River Water Management District (SJRWMD) did not match the service territory approved by the Commission. It filed an application for amendment on October 3, 2014.

Upon closer inspection, the Utility found that the map submitted to SJRWMD was incorrect. On May 1, 2015, the Utility filed a statement that it is not providing water service outside its approved territory, and withdrew its petition. Thus, pursuant to Administrative Procedures Manual Section 2.07.d(1), this docket should be administratively closed.
