Re: Docket No. 150103-EI – Petition of Tampa Electric Company for Approval of Revised Underground Residential Distribution Tariff

Dear Mr. Beasley:

By this letter, Commission staff requests the following information from Tampa Electric Company.

1. Please refer to the tables below and discuss qualitative characteristics about your distribution system and service territory that would contribute to the difference in net present values/operating costs when compared to Gulf Power Company for 210-lot and 176-lot subdivisions.

For reference, please see 1) Florida Power & Light's (FPL) response to Staff's Second Data Request, No. 1, filed July 14, 2014 in Docket No. 140066-EI, FPL's Petition for approval of amendment to underground residential and commercial differential tariffs, and 2) Duke Energy's response to Staff's Second Data Request, No. 4, filed June 6, 2014 in Docket No. 140067-EI, Duke Energy's Petition for approval of revised underground differential tariffs.
