CONSUMER COMMENTS
How disgusting to even ask for a raise with Brown-hard-contaminated water. Since I have no choice - my home was already hooked up when I moved in!! I have a well for the Grass + septic system.
I have a salt tank for hardness A filter for rust and I'm paying for water!!
The water is NOT to be used for drinking, so I buy bottled.
What do you think of this letter - 863-314-6392
