DOCKET NO. 150001-EI

FILED: May 27, 2015

**TAMPA ELECTRIC COMPANY'S FIRST REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests an 18-month extension of the confidential classification of certain information supplied in connection with the company's Audit Work papers pursuant to Audit Control No. 13-102-2-2 and, as grounds therefor, says:

1. On October 14, 2013 Tampa Electric filed a Request for Confidential Classification and Motion for Temporary Protective Order seeking confidential protection of certain documents selected as audit workpapers pursuant to Audit Control No. 13-102-2-2. By Order No. PSC-13-0633-CFO-EI issued November 27, 2013 the Commission granted Tampa Electric's October 14, 2013 request.

2. Tampa Electric adopts and incorporates by reference the October 14, 2013 request.

3. Tampa Electric is in need of continuing confidential treatment of the confidential information contained in Exhibit "A" that accompanied the October 14, 2013 request. That Exhibit "A" identifies by yellow highlighting the Work Papers page numbers that accompanied the original request for which Tampa Electric seeks an additional 18 months of confidential protection, and is incorporated herein by reference.

4. Each of the justifications numbers (1), (2) and (3) set forth in that Exhibit "A" still applies with respect to the highlighted Work Papers pages.

5. The highlighted Work Paper pages in Exhibit "A" to the company's October 14, 2013 request continue to be proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes, are intended to be and have been treated by Tampa Electric as private. The confidentiality of the yellow highlighted pages has been maintained and public disclosure of the highlighted pages would cause harm to Tampa Electric and its customers.

6. Nothing has changed since the company's October 14, 2013 filing to render the confidential information stale, such that continued confidential treatment would not be appropriate.

7. Upon a finding by the Commission that the confidential information remains proprietary and confidential business information, the information should not be declassified for at least an additional 18-month period and should be returned to Tampa Electric as soon as it is no longer necessary for the Commission to conduct its business. *See*, Section 366.093(4), Florida Statutes.

WHEREFORE, for the above and foregoing reasons, Tampa Electric respectfully requests that its First Request for Extension of Confidential Classification be granted.

DATED this 27th day of May 2015.

Respectfully submitted,
