**CEDAR BAY GENERATING COMPANY'S
SECOND REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Cedar Bay Generating Company, Limited Partnership ("Cedar Bay"), by and through undersigned counsel and, pursuant to Rule 25-22.006, Florida Administrative Code ("F.A.C."), and Section 366.093, Florida Statutes ("F.S."), hereby requests confidential classification for the documents it produced in its First Supplemental Response to the Florida Industrial Power Users Group's ("FIPUG") Request for Production of Documents Nos. 1-12 (the "Request for Production") which was served on May 12, 2015. In support of its request, Cedar Bay states as follows:

1. On May 12, 2015, Cedar Bay filed its Second Notice of Intent to Request Confidential Classification related to the documents it produced in its first supplemental response to FIPUG's Request for Production. The documents are contained on a DVD and are identified with Bates Nos. CB0009579 through CB0055321 (collectively referred to as the "Confidential Documents"). Accordingly, pursuant to Rule 25-22.006(3), F.A.C., this request is timely.

2. The following exhibits are included and made a part of this request:

- a. Exhibit A is a DVD containing the Confidential Documents. Because the volume of the Confidential Documents is so large (45,743 pages) and because Cedar Bay is seeking confidential treatment for all the Confidential Documents in their entirety, it would be burdensome, impractical, and inutile for Cedar Bay to highlight the Confidential Information. Exhibit A is submitted separately in a sealed envelope marked "CONFIDENTIAL."
- b. Exhibit B consists of a page identifying the Bates Nos. of the pages for which Cedar Bay is seeking confidential treatment. Because Cedar Bay is seeking confidential treatment of the Confidential Documents in their entirety, it would be burdensome, impractical, and inutile for Cedar Bay to produce a fully redacted version of each document.
- c. Exhibit C is a table that identifies the specific statutory bases for the claim of confidentiality.
- d. Exhibit D is the affidavit of Jacob A. Pollack, Vice President and Secretary of Cedar Bay.

3. Section 366.093(1), F.S., provides that "Upon request of the public utility or other person, any records received by the Commission which are shown to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1)." Section 366.093(3), F.S., defines proprietary confidential business information to mean information that is (i) intended to be and is treated as private confidential information by the company, (ii) because disclosure of the information would cause harm, (iii) to the company's business operation, and (iv) the information has not been voluntarily disclosed to the public. Additionally, section 366.093(3)(e) defines as proprietary confidential business information "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

4. Cedar Bay is requesting confidential classification of the Confidential Documents because the Confidential Documents contain proprietary and confidential competitive business information, including information concerning internal business plans, projected capital expenditures, confidential contractual negotiations, contractual arrangements, internal budget projections, financial forecasts, plant operations, and other competitively sensitive commercial information, the disclosure of which would harm or otherwise adversely impact Cedar Bay's and/or

its affiliates' competitive business interests. Cedar Bay has treated the Confidential Documents as confidential and Cedar Bay has not voluntarily disclosed the Confidential Documents to the public.

5. Upon a finding by the Commission that the material in Exhibit A for which Cedar Bay seeks confidential treatment is proprietary confidential business information within the meaning of Section 366.093(3), F.S., such information should not be declassified for a period of at least eighteen (18) months. Additionally, the material provided should be returned to Cedar Bay as soon as the information is no longer necessary for the Commission to conduct its business, pursuant to Section 366.093(4), F.S.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith, Cedar Bay Generating Company, Limited Partnership respectfully requests that its Second Request for Confidential Classification be granted.

Respectfully submitted this 28th day of May, 2015.
