The check should be remitted to the State of Florida General Revenue Fund.

The check is a settlement offer for violation of Section 364.3375(1)(a), Florida Statutes.

Re: Docket # 150021-TC: Application for Certificate to Provide Pay Telephone Service by Florida Payphone Operations, Inc.

Dear Ms Stauffer:

Florida Payphone Operations, Inc., would like to make an Offer in Settlement in the matter of our inadvertent failure to gain approval from the Commission prior to our beginning to operate pay telephone service in the state of Florida.

We have had several discussions and exchanges of information with the Commission staff and have also submitted our completed application for authority to provide pay telephone service.

The amount of our Offer in Settlement is \$1,500.

We look forward to gaining approval and putting this matter behind us.

Sincerely,

Michael Tague
Consultant

Curtis, appreciate the information, as I had checked what had been filed/listed in the document section for the docket in CMS and didn't see where the Company had made the settlement offer of \$1500 . I will need to have the Deposit number and the date of same. Fiscal usually sends this information to us once they receive that so that it can be posted in the docket. The protest period for the order is due by 5-27-15 and the Consummating order (CO) is to be issued around 6-1-15 according to the date listed on the last page of the order in the "Notice of Further Proceedings or Judicial Review" provided no protest(s) are filed.

Karen, can you confirm and see that the document section of the Clerk's office receive the needed information so that it can be give a document number to be entered in the docket showing that the Company has made that payment. That information will need to be listed in the docket before I can place an effective date in MCD once the CO order has been issued confirming that the PAA order is effective. This is for Company Code TH094 – Florida Payphone Operations, Inc.

Thanks, to both. Nonnye

Hello Nonnye,

The \$1,500 check was received by the Commission on April 20, 2015 (please confirm date with Karen Belcher). However, it will not be forwarded to the Department of Financial Services until after the PAA protest period (May 27, 2015).

I will also forward you an e-mail with the timeline of events.

Please let me know if you have any questions.

Good morning all. Order PSC-15-0177-PAA-TC was issued 5-6-15 and I have reviewed the order and cannot find the date listed when the \$1500 settlement payment is due. Could one of you let me know as I have to enter a date in CMS to track the payment of fines and/or settlements? Once I hear back from one of you I can enter information into CMS and MCD. Thanks for your help. Nonnye
