They should actually both be B1f.

Subject: New Dockets

Hi Catherine, I am currently entering the new dockets for Marco Island Cable and U.S. Metropolitan (New Docket Nos. 150154-TX and 150155-TX). I note that the prog mod is listed as B1k rather than B1f.. I just want to confirm that B1k is correct before I set that in stone.

Thank you!

Dorothy
