RE: Docket No. 150140-TX - Request for cancellation of Certificate of Authority No. 8219 by Network Operator Services, Inc., effective May 8, 2015.

Network Operator Services, Inc., has requested cancellation of Certificate No. 8219, effective May 8, 2015. The certificate holder has met the requirements of 364.335(3), Florida Statutes, by providing the Public Service Commission notice in writing of its request for voluntary cancellation of its certificate and by submitting all Regulatory Assessment Fees (RAF), penalty and interest, if any, that are due at this time.

Neither the cancellation of the certificate nor the failure to receive a RAF return notice, shall relieve the company from its obligation to pay RAFs, penalty and interest that may be due for this year. Failure to pay the amounts owed to the Florida Public Service Commission will result in the Company being sent to collections.

Pursuant to Section 2.07.C.5.g, Administrative Procedures Manual, it is our recommendation that the voluntary cancellation be acknowledged and the docket be closed.
