In re: Fuel and purchase power cost recovery

Docket No: 150001-EI
Date: June 15, 2015

**FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION OF
INFORMATION PROVIDED IN RESPONSE TO THE OFFICE OF PUBLIC
COUNSEL'S THIRD REQUEST FOR PRODUCTION OF DOCUMENTS (No. 19)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in response to the Office of Public Counsel's ("OPC") Third Request for Production of Documents (No. 19) ("Confidential Discovery Response"). In support of its Request, FPL states as follows:

1. On May 15, 2015, OPC served its Third Request for Production of Documents (Nos. 17-25) on FPL. FPL's Response to OPC's Third Request for Production of Documents (No. 19) contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes.

2. FPL files this request contemporaneously with the service of its response to OPC's Third Request for Production, in order to request confidential classification of the Confidential Discovery Response consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the Confidential Discovery Response on which the information that FPL asserts is entitled to confidential treatment. All of the pages of all responsive documents are confidential in their entirety.

b. Exhibit B consists of an identifying cover page indicating that the document responsive to FPL's response to OPC's Third Request for Production of Documents (No. 19) is confidential in its entirety. Because each page is confidential in its entirety, no purpose would be served by reproducing fully redacted pages.

c. Exhibit C is a table that identifies the Confidential Discovery Response, together with a brief description of the documents designated confidential. Exhibit C also sets forth references to the specific statutory bases for the claim of confidentiality and to the affiant who supports the requested classification.

d. Exhibit D is the affidavit of Don Grissette.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the hard of disclosure against the public interest in access to the information.

5. As described in greater detail in the affidavit included in Exhibit D and the description in Exhibit C, some of the Confidential Discovery Response provided by FPL contains the proprietary information of third parties, which FPL is contractually obligated to treat confidentially. Disclosure of which would constitute a contractual breach.

6. As the affidavit included in Exhibit D indicates, the Confidential Discovery Response provided by FPL contains information related to contractual data, the disclosure of

which would impair FPL's ability to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), Fla. Stat.

7. In addition, the Confidential Discovery Response also consists of competitive interests, the disclosure of which would impair the competitive business of FPL or its suppliers. This information is protected by Section 366.093(3)(e), Fla. Stat.

8. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

John T. Butler

AFFIDAVIT OF DON GRISSETTE

BEFORE ME, the undersigned authority, personally appeared Don Grissette who, being first duly sworn, deposes and says:

1. My name is Don Grissette. I am currently employed by Florida Power & Light Company ("FPL") as General Manager of Organizational Effectiveness in the Nuclear Business Unit. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification. The documents and materials in Exhibit A which are asserted by FPL to be proprietary confidential business relate to competitive interests of third parties. In particular, the confidential documents contain information prepared pursuant to FPL's contracts with third party, the Institute for Nuclear Power Operations ("INPO"), which expressly prohibits FPL from disclosing the subject data. Thus, disclosure of this information would impair FPL's efforts to contract with INPO for these services on favorable terms in the future. The data supplied pursuant to the contract, which FPL has identified on Exhibit C, are considered and treated as confidential by FPL or INPO. This information is protected within the meaning of Sections 366.093(3)(d) and (e).

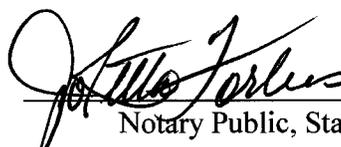

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Don Grissette

SWORN TO AND SUBSCRIBED before me this 10th day of June 2015, by Don Grissette, who is personally known to me or who has produced N/A (type of identification) as identification and who did take an oath.
