Commissioner Brown,

First let me say how disgusted I am with your decision to allow FPL to charge its customers for UNSAFE and ENVIRONMENTALLY stupid fracking activities and to do so WITHOUT regulatory supervision. You are worthless, have you not picked up a paper in the cities and towns that report on how fracking has ruined local aquifers?!? I guess it's too hard for you to say no to a major corporation who foots your bills... You disgust me and we have no room for people like you in our state government! Start job hunting!

Sincerely,

Brandon
